

Travel plans

There for you when you need it — wherever you are

When travelling outside of the province, you are responsible for potential medical expenses not covered by Saskatchewan Health. Without the purchase of a travel plan, the resulting costs will come out of pocket if you suddenly become ill or have an accident. Don't leave home without travel coverage!

Why choose Blue Cross?

- With a Blue Cross travel insurance plan, you can rest assured that you're always protected, no matter where you travel.
- Blue Cross Travel Assistance available 24/7 for any emergency, anywhere you travel.
- Optional deductibles on emergency medical care costs. Where possible, we arrange payment directly with the hospital.
- Some pre-existing conditions may be covered for greater peace of mind.
- We're a Blue Cross Blue Shield[®] Association partner - the largest medical network in the United States. We also partner with assistance service providers worldwide.
- Rates based on your age, your health, and the duration of your trip. You pay only for what you need.

World-class travel assistance

In addition to Medical Assistance, your Blue Cross travel insurance includes access to General and Pre-trip Assistance. Wherever you are in the world, call us toll-free, 24/7 for immediate assistance, no matter the emergency.

PRE-TRIP ASSISTANCE

Blue Cross offers a wide range of essential information for problem-free travels, regardless of your destination:

- Visas and other required travel documents
- Recommended vaccinations

GENERAL ASSISTANCE

Blue Cross can help you manage and work your way through difficult situations, including cases of theft or lost documents. We'll help you reach the embassy and/or your financial institution if your documents are lost or stolen.

Flight Delay Service

Included at no extra cost, Flight Delay Service provides you with a range of benefits to relieve the stress of traveling to your destination.

If your flight is delayed:

- **3 hours or more:** You'll have complimentary access to an airport lounge. If no lounge is available, or if it's overbooked, you'll receive \$40 compensation per person.
- **6 hours or more:** You'll have access to a hotel room and \$50 allowance per person. If no hotel room is available, you'll receive compensation of \$250 per travel insurance contract.

How our travel plans work

STEP 1

Before your trip, choose from multi-trip or single trip solutions, including package options that combine our most popular coverage options.

STEP 2

Customize your Travel Plan with optional add-ons like a trip deductible, trip cancellation or interruption, accidental death or dismemberment, or baggage.

STEP 3

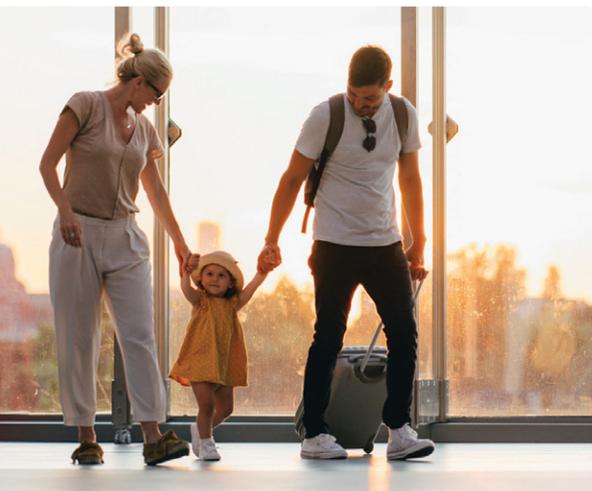

Bon Voyage! Enjoy your trip knowing you're covered, wherever you travel.

WHAT IF I EXPERIENCE A MEDICAL EMERGENCY ON A TRIP?

Contact our travel assistance team immediately following your medical emergency. Assistance is available 24 hours a day, 365 days a year. Be prepared to provide your policy number, trip information and a brief description of the medical emergency. Our team will provide the support and help you need, whatever the medical emergency:

- Recommend a doctor, clinic or hospital best suited to provide appropriate care for your medical condition.
- Follow-up of your case by our health professionals, regardless of your age and diagnosis.
- Coordinate repatriation by ground or air ambulance, or on a regular flight.
- Contact your family upon request, in the event of an emergency.
- Arrange for a family member to travel and be at your side should you be hospitalized for three days or more.‡
